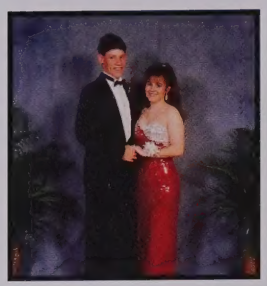
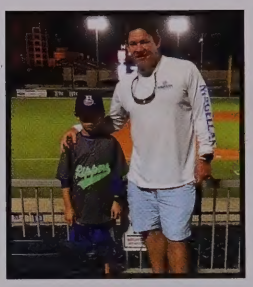
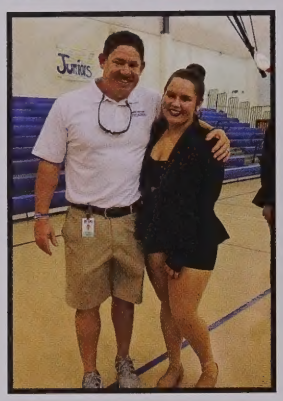
The mission of Bay High School is to create a student-centered learning environement which addresses the individual needs of each student thus creating an enlightened citizen who values life-long learning accompanied by social and personal accountability.

In Dedication to Will Seymour







Coach Will Seymour has been a Tiger his whole life. We can definitely say he "bleeds blue and gold". He graduated from Bay High School in 1990, returned as the Assistant Basketball Coach in 2003. He became the Head Basketball Coach in 2004. He was the Assistant Principal in 2006 until he was appointed as the Athletic Director in 2008. He served as the Athletic Director from 2008-2016. Seymour served as the Grand Marshall in our 2016 Homecoming Parade. He will definitely be missed here at Bay High School.

Your love of Bay High and your time and dedication to our Tigers is and always will be so very much appreciated. -Dr. Amy Coyne

From being my teacher in high school to working with you here at Bay High, I have always loved you and your love for being a Tiger. -Samantha Davis

Thanks for everything you have done for Bay High and myself. -Coach Randy McCrory

Coach Seymour was all about the kids and he did a great job supporting his coaches and the athletes at Bay High. Every decision he made was based on what he thought was best for the students and that's what made him an excellent Athletic Director. -Coach Kelly Ross

"We appreciate all of the support you always showed for the girls basketball team." -Amari Pittman

Teacher Of The Year
Stacey Pate

Mrs. Pate has made her journey through Bay High School starting as a student and developing into a very competent and qualified practitioner. She is a teacher who does so much more than just teach. She inspires children, loves the school, bleeds blue and gold, instills pride in our children and the community, leads by example, never gives up, has a positive spirit and love for her children, works tireless and long days and never ever takes the smile off of her face. Mrs. Pate has a love of learning, a great awareness of the connections needed to impact students and learning, influences student lives and uses life lessons and experiences as teachable moments.

Inside her classroom and the school, Mrs. Pate invests a great deal of time creating active learning and sharing with her students through the work that is done. The environment in the classroom is warm and inviting, yet, challenging and self-fulfilling for the children involved in the daily learning. She affords students the opportunities to challenge themselves, learn about social justice, tolerance, and acceptance while developing their own belief systems and perceptions in rewarding and meaningful ways that have great impact on them. She believes in molding the hearts of our future generations. She understands that the teachings within the walls here of Bay High will impact these children far beyond the walls of this school.

Mrs. Pate is a true example of what we want our children to become as they become older. She is a delight to work with, takes charge of tasks assigned, is creative and excited and loving. She is a role model to the children, other teachers, and so many in our community. She is patient, kind, sincere, and a true asset to Bay High School and our community.

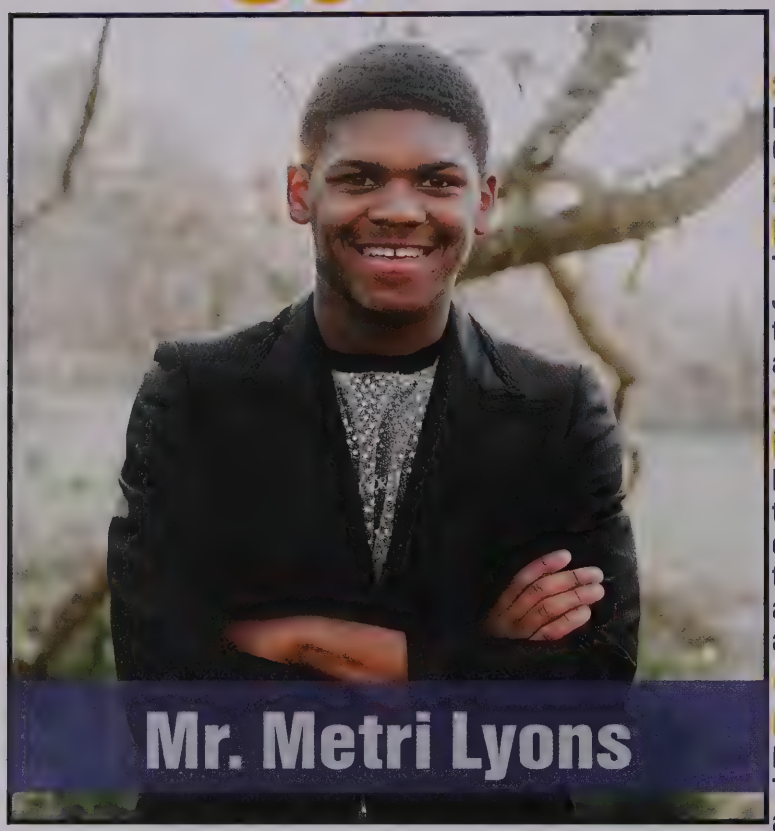
MR. & Miss BHS



Mr. Metri Lyons

1. What is your favorite memory from high school?

My favorite school memory was at Disney World with the Cheer team winning 2nd place at the Contest of Champs.

2. Who has been your inspiration throughout high school?

Throughout high school, my inspiration has been Michael Jackson. Through every hardship I had, I remembered through him to stay positive and nothing that was worth anything came easy.

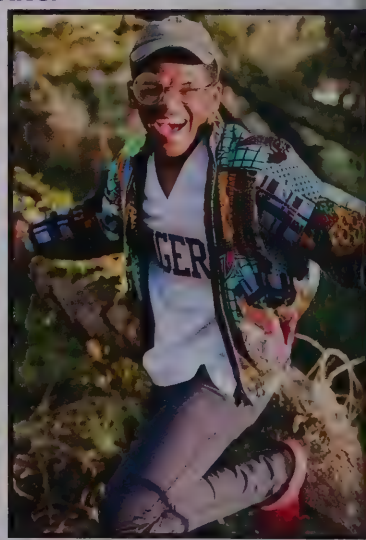
3. What was your biggest accomplishment in high school?

My biggest accomplishment in high school has been staying true to myself and having integrity, charisma, and a work ethic that both my peers and teachers respect. They know that I'll attack every situation honestly, and optimistically, and no matter what I faced, that many teens faced, I would alway be myself.

4. What advice would you give to the underclassmen?

I would tell the underclassmen that it is not all about grades. Though one should stay focused, it is great to get involved and make connections. There aren't many things that appeal to teens in this town, so joining clubs and sports is the perfect way to do things productive.

Earning Mr. Bay High is a huge honor, as I feel respected by the students and administrators. I believe they see how much I enjoy Bay High's atmosphere and what I have done to try to move it forward for the best of all of us.



1. What is your favorite memory from high school?

My favorite memory from high school was meeting the friends that I will graduate with.

2. Who has been your inspiration throughout high school?

My inspiration throughout high school has been my teachers and friends. I am grateful for them and the motivation they have given me in life and in school.

3. What was your biggest accomplishment in high school?

My biggest accomplishments in high school have been graduating in the top 5 of my class and receiving the title Miss Bay High.

4. What advice would you give to the underclassmen?

To the underclassmen, I would advise them to always maintain their worth ethic but to also stay carefree. Remember to enjoy school and get involved in whatever interests you.

I am so extremely excited and honored to receive the title Miss Bay High. After getting to Bay High sophomore year, I have felt extremely welcomed by the students.
I would like to thank everyone at the school for giving me a truly wonderful high school experience. Thank you to anyone who has ever helped me, was kind to me, or supported me.

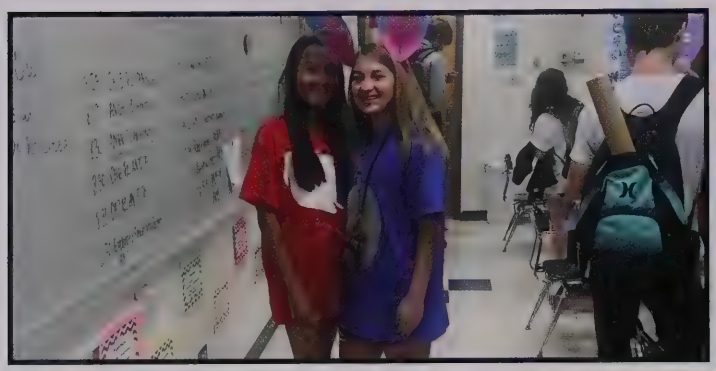
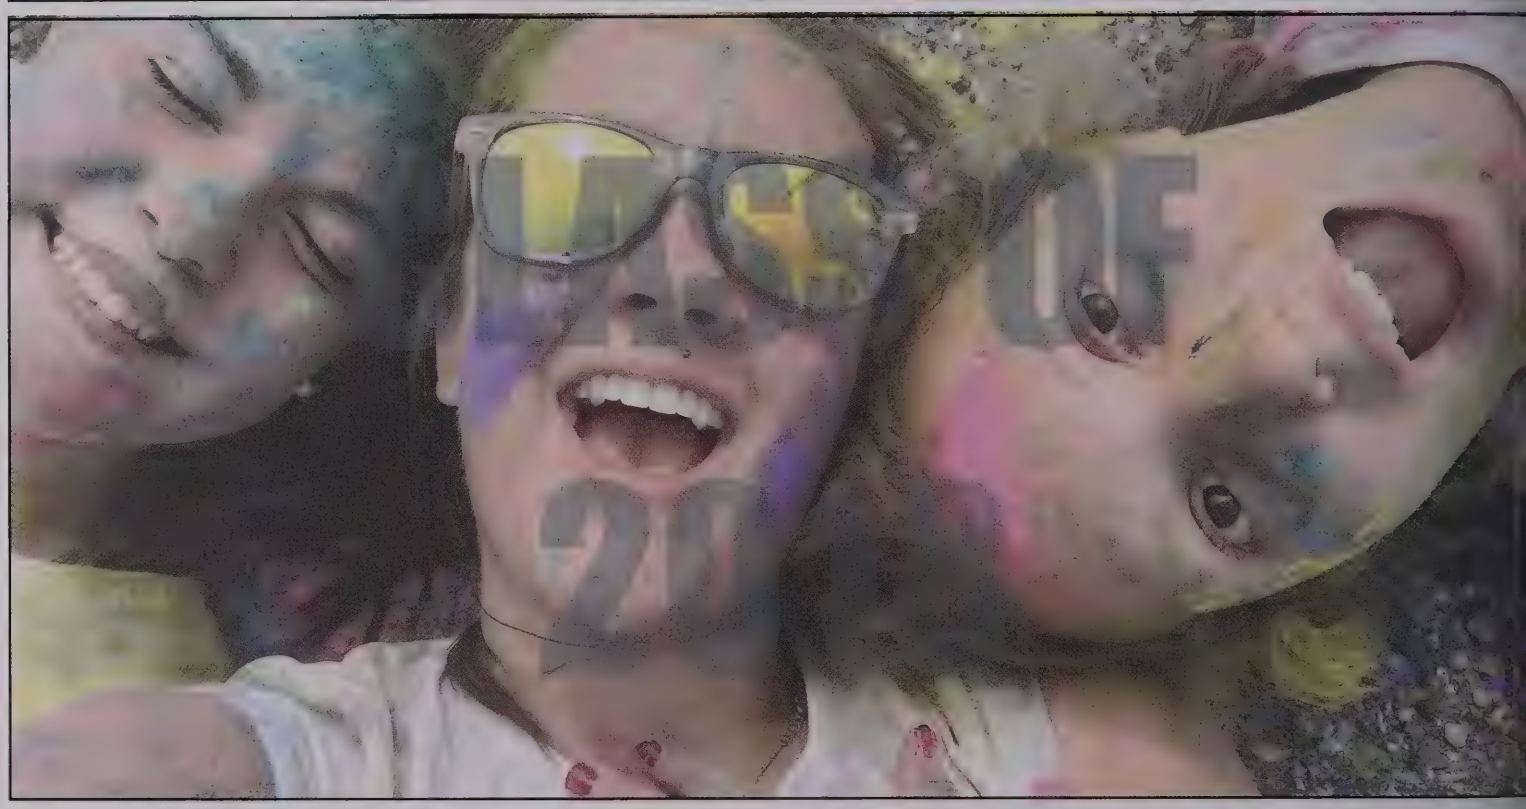
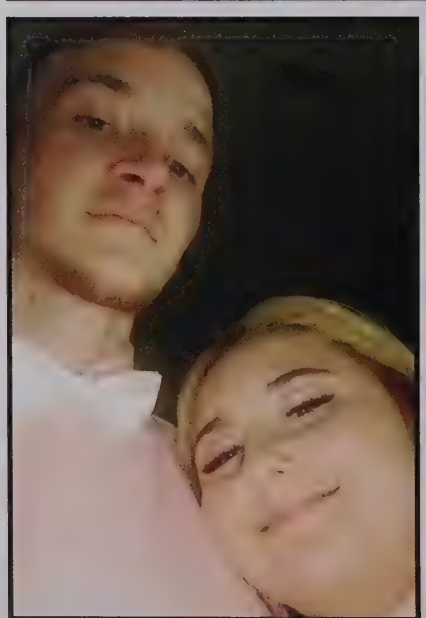
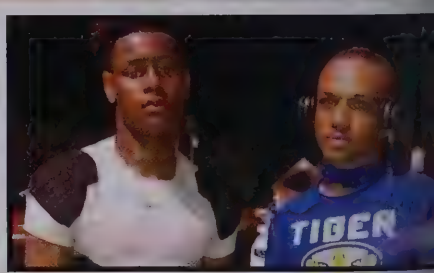
I was trying to fit in for so long, until about junior year of high school, when I realized that trying to fit into this one image of perfection was never going to make me happy."-Maiara Walsh

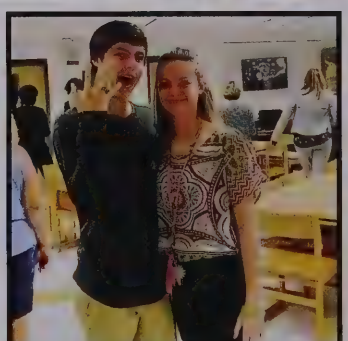
Junior Student Life











One day, Next year...

We'll be taking our last high school test and we'll have our last fire drill and report card. One day we'll have our last young and wild Friday night with the people we've made a million memories with. One day we'll walk out of those doors for the last time. One day we'll be standing in an alphabetically ordered line in a caps and gowns with people who watched us grow up. A lot of these people we will never see or hear of again. One day we'll forget about all the people we knew and we'll barely remember the memories until we find a picture that reminds us of one. One day we'll be packing up 18 years of our lives into boxes and hugging our parents goodbye. One day we won't be sixteen and in highschool anymore. So here's to one more year. Take pictures and write captions every chance you get.

AFJROTC, or Air Force Junior Reserve Officer Training Corps, is a program that creates citizens dedicated to serving their nation and community. We focus on integrity, service before self, and excellence in all we do. Though you may have to step out of your comfort zone, this program builds a close family and gives you a feeling that you are a part of something greater than yourself. While enrolled, you will be required to wear the Air Force uniforms and stay in proper standards while wearing them, including P.T. gear, ABU's and the "Blues" uniform. We have many co-curricular activities that spark interest to many students and cadets, such as marksmanship, P.T. team, Kitty Hawk Air Society, Aviation team, etc. Recently, we have received the AFJROTC Distinguished Unit Award for the 2015-2016 school year. To get this award, all unit goals must be met and all guidelines completed in a certain time. This is getting something that all JROTC units strive to achieve. After winning it the first time, our cadet guide for the inspection was requested by many other units on the Gulf Coast. We worked extremely hard for the inspection this school year, and will continue to strive for Distinguished Unit for many years to come.

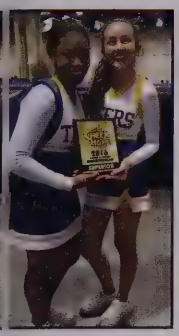
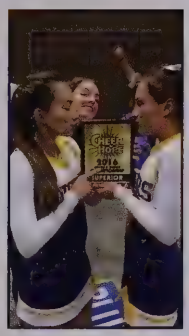
One Team. One Dream.

The Bay High Cheer Team placed 2nd in their division at the Cheer for Hope Competition





It's blood, sweat and tears
It's bruises, sprains, and even breaks.
It's days, weeks even years of training.
It's knowing there's no glory without the pain.
It's going again fifteen times after the "last one".
It's going to your limit and pushing yourself past it.
It's not being able to walk for days after one practice.
It's dancing until you can't breathe and tumbling until your legs ache.
It's one of the hardest "not a sport" sports.
With one of the highest in jury statistics.
It's cheerleadering, and we love every minute of it

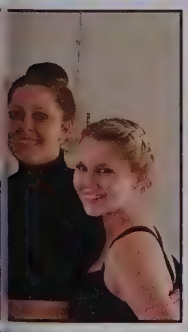
The Bay High Steppers are seven-time state champions. They are under the direction of Coach Angie Farve. Coach Farve is one of the newest assets to the Bay Waveland School District.

PIONS



Amazing athletes -

It's not easy being a Bay High Stepper. "It's grueling," Farve said. "(The dancers) run a very tight ship. They stretch for the first 15 minutes of each practice. Then they rehearse for 90 minutes. They're not just dancing. They're leaping, they're turning, getting more cardio in than people could imagine."

"When they rehearse for competitions and pep rallies, that means more time after school and on Sundays. The girls work hard to be called athletes", Farve said. "What they do is a sport and should be recognized as a sport," she said.

-Taken from a news article that was published in The Sun Herald following the Steppers' 7th consecutive title.

Tiger Pride
2016-2017
Marching Band

The Tiger Pride Band competed in their first competition of the year on October 1st. Their first performance earned them all Superiors in every category, including Band, Color Guard, Dance, Drum Major and Percussion. Their second performance earned them a fifth place finish out of eleven bands. This is the best they have scored in ten years!

Kolby Furr, Shelby Gardache, Flor Gieseler, Shelby Gunsch, Brian Haab, Anna Haynes, Amelia Haynes, Rachelle Henderson, Taylor Henry, Sidney Henry, Isaiah Hill, Nathaniel Nordin, Cameron Adams, Ian Ammentorp, Jaquline Andry, Gabby Barabino, Brenda Benitez, Genevieve Bickett, Robert Blackwell, Cydney Bourgeois, Anna Boxx, Courtney Brown, Emily Burch, Paul Clark, Dianna Dardar, Wendy Dardar, Nyla Dedeaux, Chris Delhommer, Courtney Fernandez, Anna Fields, Jackie France, Brandi Franklin, Brittany Franklin

Nearly 95 students make up all areas and aspects of the Bay High 'Tiger Pride' Marching Band. It is among the largest of student organizations on this small campus. It is comprised of Instrumentalists, Drum Majors, Steppers, Color Guard, and Front Ensemblists. The Bay High Tiger Pride Marching Band has put in much effort, time, and sweat into the making of the very rigourous yet peaceful 2016 show titled 'Take To The Skies".

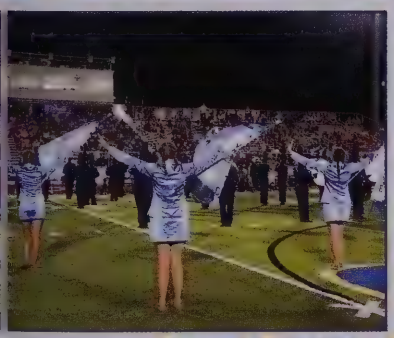
A few words from our leaders:

Drum Major, Anna Grace Boxx

"What a lot of people take for granted about the band is the dedication involved. We're out there every day of the week: sweating, sunburnt, but disciplined. You would think we'd be sick of one another by now, but I've never seen a group with more comaraderie and connection than the Bay High Tiger Band."

BHS Color Guard

Courtney Brown, Courtney Fernandez, Shelby Gardache, Kevonna Hulbert, Kailee Iwanczyk, Maddie McCraney Candice O'hara , Taniyah Oliver, chaela Reese, Samara Smith, Kimberly Summers, Lamarkeyon Watts, Paige Webb, Wendy Dardar (Manager)



The Bay High color guard is an important aspect to the Bay high "tiger Pride" Marching band. The color gaurd is a small group of commited young women who work just as hard as the dance team and band. Without the guard the show would lack taste and visual excitement. The color guard is an extremely appreciated assest of the tiger pride band.

Guard Captain, Sam Smith

The color guard has a very special place in my heart. Sure they make me ant to pull my hair out sometimes but that's what happens when you're in urge of 13 extraordinary girls. While we have had our struggles this year, I ouldn't be more proud of these girls for all the hard work they have put in his season. I realized when I was accepting our All Superior Color Guard trophy this year, with my co-captian Shelby Gardache, that all of those seemingly endless rehearsals and constant run-throughs were absolutely orth it in the end. Color guard is more than just tossing a flag in the air and earing sparkly outfits. It's about supporting each other even when you've en on the field for hours and you can't seem to remember that one set that e have rehearsed a thousand times and people are yelling at you to get on unt. It's about coming together as a team to create a visual materpiece that ill take the audience's breath away. I would especially like to thank Mrs. in for always supporting us and for being the most delightful and brilliant instructor we could ever have.

We can't begin to tell you
Just how loved you are
We can't believe how time has flown
And how you've come so far
Forgive us when we stop and stare
And tears fall from our eyes
Time flew by so quickly
Sure took us by surprise
We asked you to stay little
To always be our baby
You said, "I'll try to if I can,
but, I'll have to grow up...maybe."
Now here you stand before us
A respectful, honest man
Strong-willed and determined
Who always says, "I can"
We flip though all your notes and cards
And pictures that you drew
Recall your quips and humor
'Unique', dear son, that's you!
There are no doubts within our minds
That you'll indeed succeed
Your future holds so much in store
But 'that smile' is all you need
You've always been so gentle,
So loving, kind and giving
Having you as our son, Trae

No matter where life leads you
No matter what you do
We'll always be your biggest fans
And we'll be here for you.
